

# National Barrel Horse Association

NBHA Arizona District 06 is always looking for more sponsors! Sponsors help keep our organization growing and allow us to award better prizes to our racers and raise money for our District. We accept sponsorship in the form of cash to add to our races or year-end program as well as products for raffles or year-end prizes.

This letter is to invite you to be a proud sponsor of the Arizona National Barrel Horse Association District AZ 06. The NBHA offers all barrel racers, regardless of age or skill level, an opportunity to compete. Our district hosts a minimum of 18 events during the competition year (Jan-Dec). Arizona District 06 includes Graham and Greenlee Counties; however we have members from other counties including Cochise, Pima, and Santa Cruz, as well as New Mexico. Three classes (Open, Youth & Senior) are offered with four divisions in each class awarded. Our district is run on a non-profit basis. This means we must raise our money in order to receive year end awards. The top five in each division of each class are recognized at the year's end along with special recognition awards- approximately 60 awards at the end of the season.

AZ 06 offers the following to sponsors:

1. Advertising at all AZ 06 events, on event flyers, in district newsletter as well as on our website.
2. Sponsor's banner will be displayed at all events. Sponsor may provide banner and sponsors will be listed on a banner for the District that will go to every race attended by AZ06 members.
3. Any sponsor may set up display / have vendor space at any AZ 06 barrel race.
4. All product donations and merchandise will be used as prizes or for raffles for the 2012 season.
5. Members are encouraged to purchase products and / or services from sponsors.

Thank you in advance for your help and support of our district. When you become a sponsor for NBHA you are supporting a family focused organization which you can be proud to be affiliated with. If you have any questions or ideas please contact me. I look forward to hearing from you and will answer any question you may have.
